

Putting the *WoW* into Women's Work!

by Dr Rachel Menon

Questions . . . Questions . . . Questions . . .

Q *Can anyone really believe the Bible . . .
it's ancient, wake up we're in the 21st century!?*

Q *Jesus – he was the baby in the manger who had a tragic end,
What has Jesus got to do with my life?*

Q *For those who are Christians why is life still so hard and why is there so much suffering in this world?
If you could ask God one question I wonder what it would be?*

Women at Moulton Parish Church have been looking at some of these questions as January '08 saw the launch of *WoW*, a new women's Bible study group. We meet Fridays 9.30-10.30am during term time in the Church Centre, (crèche available). During January and February we've been looking at what Mark's Gospel has to say about Jesus using Christianity Explored videos. *Wow* is an informal Bible study group for all ages. You would be welcome whether you are a Christian and want to learn more or don't know anything and want to find out about Jesus and Christianity.

Also new to '08 is 'What Women Want' (www) . . .

www events are informal, occasional meetings organised for women.

A chance to get together, learn from God's Word and discuss issues that affect us. Every event will be different! In January we looked at how we choose to spend our time, what do we fill our days with and where does God fit into that day – if at all. We learnt from two women in the Bible one who choose to listen to Jesus and the other who was too busy in the kitchen.

On March 28th we will be looking at the Bible . . .

Why is the Bible still the number one best seller?

Why is it so hard to read? Where do I start? And why reading it will change your life forever.

All ages of women are very, very welcome. Feel free to bring friends along too!

Watch out for . . .

a new initiative starting end of March – a fortnightly evening event offering a range of different activities ideally held under one roof. Activities will include sport, craft, art, reading group, discussion group on the purpose and meaning of life from a Christian view. At the conclusion of the evening all join together to share in a thought from God's word, or a personal testimony and a prayer.
