

Some of the proposed new features showing just how versatile our Church building could be.

Facilities for Mums and Toddlers Groups

Ramp to raised floor for wheelchair users

Smaller Vestry allowing more space in main Church

New lighting and under-floor heating for greater comfort

Newly installed disabled toilets

Area adapted for serving refreshments

Areas for small group meetings

New sound system & enlarged digital display screen

Improved facilities for music group practice & youth work

How we could look at our Sunday services
