

Options

What is Options? An initiative for all ages of women to provide a chance to get together, talk, relax and learn more about the Christian faith.

When & where? Options meets the 2nd Monday of the month at the church centre, 7–9.30pm (see program for times). Cost per session £2. Netball meets **weekly** cost £3

Do I have to commit to one option?

Not at all! Come when you are free, come when something captures your interest, come just to see others, chose which ever option you feel like doing on the night.

'Closing thoughts' Options welcomes all women but at it's heart is the Christian faith. Each evening ends with an opportunity to hear about someone who has chosen the option to believe in Jesus Christ and the difference Jesus has made in their lives.

14th June	Atonement	Prayer	Netball every monday	Film night Science and God?
12th July	Naked God	Prayer	Netball every monday	Music for your ears with an American twist

Book club: a great option if you need encouragement or simply an excuse to read! All books supplied. Kathy Morrison tel: 407510; kmorrison@training-circle.co.uk **Prayer:** too busy to pray? Be encouraged by others to make time.

Netball: the energetic option meeting weekly! Expert coaching. All ages & abilities very welcome. Michelle Nunn tel: 646128; michellepinfield@hotmail.com **Specials:**

Are you ready for an amazing varied Summer diet put together for you and your friends. *May* starts with gentle but excellent exercise in the form of Pilates. *June* provides a work out for our brain cells as we take a mind blowing look at the grandeur of our solar system, dip into some amazing science and hear about the God who the Bible claims is behind it all. Can science really point us to God? Also in this evening will be one woman's story of how the Bombardier beetle brought her to faith in a Creator God. *July* offers music to your ears. Thanks to a long distance romance between England and America we are privileged to hear one woman's beautiful gift of singing but also an insight into an Americans impressions of our British way of life – guaranteed to make you smile.
